FROM: 
Carol M. Palmore, Secretary

SUBJECT: Retirement Seminars -
Reissuance of Personnel Memo 01-03

The Kentucky Employees Retirement Systems periodically conduct seminars for employees interested in planning their retirement from state government. The Kentucky Employees Retirement Systems will notify employees individually of the meeting times and locations. Attached is a schedule of the seminars for planning purposes.

Employees with 20 years or more service as of December 31, 2002 (not including purchased air time) who want details of the retirement benefits available to them may attend one of the seminars without being charged annual or compensatory leave. In addition, employees who will meet the criteria for retirement within the next year should be allowed this same opportunity.

With the passage of recent retirement legislation, a heightened interest in these seminars should be expected. Interested employees, not covered by the policy in the above paragraph, may use either annual or compensatory leave to attend with prior approval of their supervisors.

If you have any questions about the schedule please contact the Kentucky Retirement Systems at (502) 564-4646.
